DURANGO BEGINS DRILLING AT DISCOVERY PROPERTY, QUEBEC

Vancouver, BC / TheNewswire / June 21, 2022 – Durango Resources Inc. (TSX.V-DGO) (Frankfurt-86A1) (OTCQB -ATOXF), (the "Company" or "Durango") announces that further to the news of June 13, 2022, the Company has begun drilling on its wholly owned Discovery Property (the "Property") in Québec. The Property is in the highly prospective James Bay Territory, 100km north of Chibougamau, Québec in the Frotet-Evans greenstone belt.

An announced previously, Durango has planned a 1,500m exploration drill campaign where nearby recent rock, channel and backpack drill sampling at surface have returned gold anomalies of:

- 46.64 g/t Au in chosen rock sample as per October 7, 2021, news release;
- 9.25 g/t Au over 1m in channel sampling as per January 17, 2022, news release; and
- 1 g/t Au over 2m in backpack drilling as per April 20, 2022, news release.

Marcy Kiesman, CEO of Durango stated, "We have been waiting to drill test this area of the Discovery Property for some time since the surface outcrops appeared to be very intriguing. We have a small crew conducting some mapping in the area while the drilling is being conducted to help gain a better understanding of the underlying geology in the immediate area."

Further updates will be announced on the Discovery Property and the program as they become available.

Melanie Mackay P.Geo, is the qualified person for Durango Resources Inc. and approves the technical content in this news release.

About Discovery

The Discovery Property is located on strike to the southwest of the past producing Troilus gold mine and neighbours Troilus Gold Corp. (TSX-TLG). The Discovery Property is over 6,500ha in size and covers an important geological northeast to southwest regional structure. The Discovery Property has great road access and is accessible year-round via the Route du Nord.

About Durango

Durango is a natural resources company engaged in the acquisition and exploration of mineral properties. The Company is positioned for discovery with a 100% interest in a strategically located group of properties in the Troilus gold camp and in the Windfall Lake gold camp in the Abitibi region of Québec, Canada.

Forward-Looking Statements

This news release contains "forward-looking information or statements" within the meaning of applicable securities laws, which may include, without limitation, statements that address the upcoming work programs, and other statements relating to the business, financial and technical prospects of the Company. All statements in this news release, other than statements of historical facts, that address events or developments that the

Company expects to occur, are forward-looking statements. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements.

Such statements and information are based on numerous assumptions regarding present and future business strategies and the environment in which the Company will operate in the future, including the price of minerals, the ability to achieve its goals, the COVID-19 pandemic, that general business and economic conditions will not change in a material adverse manner, that financing will be available if and when needed and on reasonable terms. Such forward-looking information reflects the Company's views with respect to future events and is subject to risks, uncertainties and assumptions, including those filed under the Company's profile on SEDAR at www.sedar.com. Factors that could cause actual results to differ materially from those in forward looking statements include, but are not limited to, continued availability of capital and financing and general economic, market or business conditions. The Company does not undertake to update forward-looking statements or forward-looking information, except as required by law.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
